2010 IPA Convention • Freedom to Feel

Monday, August 16 – Sunday, August 22

Viriden Retreat Center, Lewes, DE
(<http://www.udel.edu/conf/lewes.htm>)

Join us for the 38th annual IPA Convention, Freedom to Feel. What does it mean to be truly free to express one's feelings? How does one's life, environment, friends, family, and feelings affect the way we perceive our Freedom to Feel? Where is it appropriate or inappropriate to express our feelings? This year, we will explore these and other topics as they relate to how we feel about our feelings.

In keeping with the convention tradition, we wish to create a program that will be a balance between experiential workshops and theoretical presentations focused on the theme. If you would like to propose a workshop or other convention event, please go to <http://www.primals.org/convention.html> for an online Workshop Application Form (Microsoft Word format) that can be emailed (one proposal per email, please) or use the enclosed form for snail mail. Send to Larry Schumer at larry@larryschumer.com or 759 Roberta Street, Salt Lake City, UT 84111. If you do not receive a response within 10 days of your submittal, please check with the Larry.

To be included in our brochure we must receive your proposal by **February 1, 2010**. The Convention Committee reserves the right to accept or reject submissions based on timely submission or other criteria.

Come, *teach*, learn, heal, explore, express, and bond with like-minded people in a joyous celebration of the preciousness of who you are. We look forward to your proposal.

With warm regards,

Larry Schumer
