2011 IPA Convention Pathways to Transformation

Tuesday, August 9 – Monday, August 15

Virden Retreat Center, Lewes, DE
(<http://www.udel.edu/conf/lewes.htm>)

Join us for the 39th annual IPA Convention, **Pathways to Transformation**. Our intention this year is to create community with practitioners who share our valuing of deep healing and transformative experiences. We welcome all different modalities in our quest for ultimate healing. Come share your experiences and knowledge with others on the same journey as you. **With knowledge, support and community we can achieve that which we have been seeking.**

In keeping with the convention tradition, we wish to create a program that will be a balance between experiential workshops and theoretical presentations focused on the theme. If you would like to propose a workshop or other convention event, please go to <http://www.primals.org/convention.html> for an online Workshop Application Form (Microsoft Word format) that can be emailed (one proposal per email, please) or use the enclosed form for snail mail. Send to Denise Kline P. O. Box 1943; Hagerstown, MD 21742. If you do not receive a response within two weeks of your submittal, please check with the Denise Kline (301)791-9237 or Alice Rose (678)886-8680.

To be included in our program we must receive your proposal by **June 15, 2011**. The Convention Committee reserves the right to accept or reject submissions based on timely submission or other criteria.

Come, *teach*, learn, heal, explore, express, and bond with like-minded people in a joyous celebration of the preciousness of who you are. We look forward to your proposal.

With warm regards,
Alice Rose and Denise Kline
